# STRATEGIZE FOR A CONFIDENT RETIREMENT

*The Complicated Relationship between Wealth Building  
and Making Your Retirement Dollars Work for you (...and Last)*

As you think ahead to retirement, it's important to recognize that the actions you take today—or don't take—can have a significant impact on your future retirement income. Attend this complimentary seminar, and learn how to create guaranteed income streams that support your retirement vision and help ensure you don't outlive your retirement assets once you arrive.

### Who should attend?

Consider attending if you are saving for retirement and have asked yourself any of the following questions:

*“Am I saving enough money?”*

*“How should I be allocating my savings dollars today to provide for numerous retirement income options later?”*

*“Am I on pace to maintain or potentially enhance my lifestyle in retirement?”*

### Expect to learn about:

- How retirement income streams work as the basis for effective/efficient planning today
- Reasons that your 401(k) alone may not be sufficient to help you reach your retirement goals
- Concepts to help you accomplish your retirement objectives

***The actions you take today—or more importantly, don’t take—could have a significant impact on your future retirement income down the road. The sooner you take control, the more options you have to develop a strategy to help provide the retirement you want!***
