### About WBC

At Wealth Building Cornerstones our mission for the families and clients we serve is to provide an effective, economically based process that maximizes their protection and wealth building potential while reducing risk to their personal financial future.

For the agents we serve our mission is to provide a simple, to-the-point, turnkey system that reduces an agent's time in the field while maximizing their production, their income, and produces consistent, repeatable results with built in lead generation.

The simplicity of Wealth Building Cornerstones makes it easy for agents and clients to understand and implement.

### System Overview

- Defined Client Process with fully integrated step by step presentations for Pre-Retirees and Retirees.
- Cornerstones Blueprints™ which gather your client's financial information and provides a visual representation of their finances.
- Proprietary Cornerstones Calculator™ along with supporting financial calculators and documents.
- Easy to follow and easy to implement web-based presentations and training videos covering the following:
  1. Pre-Retiree Presentation
  2. Retiree Presentation
  3. Protection Presentation
  4. Wealth Building Cornerstones Presentation- Whole Life Version
  5. Wealth Building Cornerstones Presentation- Permanent Life Version
- Easy to follow Cornerstones Calculator™ Tutorial videos for learning how to use this powerful calculator.
